## *Pazo Da Bouciña 2017*

### Vineyards

Single vineyard of 6 hectares, of 40 years old Albariño Grapes. On granitic, and sandy soil, to bring the best of the Val Do Salnes.

### Production

Alcoholic Fermentation in Stainless Steel tanks with steering of the lees for 3 months

### Tasting Notes

Clear and glossy appearance, pale/yellow color with greenish brightlights. Powerful in nose with great aromatic intensity, floral and fruity tones typical on this variety, sophisticated and elegant touch. A potent and full-flavored wine with an unctuous and delicate taste. Excellent level of acidity that comes from the selection of fairly well mature grapes.
