Valdemonxes 2017

Vineyards

10 Hectares of old Vines located in 2 different plots in the “Val Do Salnes”

A mountain plot and a Valley Plot, of vineyards, planted with a proprietary method called “brazo de ala”. By combining both plots, with different microclimates, they can extract the best every year, by balancing the best acidity, freshness of the vines. The vineyards are located close to the sea, which brings the vivacity and salinity of the Wine.

Production

Fermented with native yeasts, and the must is fermented under meticulous temperature control in modern, stainless steel installations.

Tasting Notes

Pale/straw yellow color with golden brightlights. Intense, mature fruit, apple, apricot, subtle vegetable features. Freshness and vivacity, persistent fruity features in mouth, tasty and balanced.
