

UNITED CELLARS

ITALY

Alturis Cabernet Sauvignon 2017

Vineyard

Winemakers in Borderlands - At the far North East of Italy, close to Venice and at short walk from Cividale del Friuli at the border with Austria and Slovenia, Alturis vines benefit of an unique microclimate. The Julian Alps protect them from the cold winds of North, while the breezes from Adriatic Sea smooth and mitigate the climate, offering the vineyards exceptional conditions to produce grand quality wines.

Production

Guyot and Friuli single inverted. The grapes are gently destemmed before crushing. The must thus obtained is left to ferment together with the skins at controlled temperature with frequent pumping over in order to extract color and flavour. After racking, aging takes place in 500 litre oak barrels.

Tasting Notes

Intense ruby red with purple reflections. Delicate hints of plum, cherry, violets and black pepper, surrounded by pleasant cocoa sensations. The taste is pleasant, velvety on the palate with subtle tannins.

Accolades

96 – 2016 Alturis Cabernet Sauvignon – **Luca Maroni** 3rd BEST RED WINE OF ITALY

94 – 2015 Alturis Cabernet Sauvignon – **Luca Maroni**

Appellation

Friuli Venezia Giulia

Location

Cividale del Friuli

Winery Size

40 HA

Winemaker

Marco and Massimo Zorzettig

Varieties

100% Cabernet Sauvignon

Aging

Oak Barrel for 6 months

Age of Vines

10-20 Years

Elevation

100-200 m

Soil

Marl and sandstone

Max Yield

5.000 Kg/Ha

Alcohol Content

13 %

Production

40.000 Bottles

Farming

Sustainable
