

UNITED CELLARS

PORTUGAL

Insurgente 2015

Vineyards

Selection of parcels with an average age of 20 years. Granite soils. Selection of Touriga Nacional (70%) and Alfrocheiro (30%) grape varieties

Production

Harvested in 22kg boxes. 12 hours pre-fermentation pre-maceration; Use of indigenous yeasts; Alcoholic fermentation with temperature control (22-24 °C), fermentation post-fermentation for 90 days.

Tasting Notes

With notes of black fruits and pine, this wine reveals the freshness of Dao on the palate with round and well-integrated tannins promising longevity
