

UNITED CELLARS

CHILE

Ilaia Merlot Reserva 2015

"Powerful, complex and elegant"

Ilaia means "The southern part of the world". This is also the best way to describe the place where our vineyards come from, right in front of the impressive Andes mountain range. These vineyards, managed with passion and excellence, give birth to different wines of unique character. They are the perfect balance between the old and the new world style.

Appellation

DO Central Valley

Location

Curicó

Winery Size

60 HA

Winemaker

Pascal Marty

50.000 Bottles

Farming

Sustainable

Production

Harvest by hand. Alcoholic and malolactic fermentation in stainless steel tanks with an average length of 8-12 days, and temperatures about 24°C – 26°C.

Tasting Notes

Deep ruby red with purple hues

Intense aromas of ripe cherries, blackberries, dark chocolate, nutmeg, and a truffle note that contribute to its complexity.

It is a well-structured Merlot with the typical soft chalky tannins that characterized this varietal. It is tasty, with a high concentration of dark fruit flavors, sweet spices, and a hint of vanilla that melts on your mouth. All the flavours hold well together through a beautifully balanced medium to long finish. This is a wine that grows on you.

It's powerful, complex, and elegant at the same time. Ready to drink now.
