Des COR Chad DOS

**VINA MARTY – ILAIA 2018
CARMENERE RESERVA**

Central Valley, Chile

“This carménère is from vineyards in Cachapoal and Curicó and spent four months aging in barrels, all used. The wine is a delight, with red fruit flavors mingled with touches of leather and herbs. The texture is broad and very smooth, with rather timid acidity and an herbal finish. A wine that offers excellent value for money.”
