**ROBERT
PARKER**

**REMIREZ DE GANUZA
GRAN RESERVA 2008
DOCa Rioja**

"... The palate shows a little more austere, with some pointy tannins and an earthy feeling. This is not as polished and elegant as other vintages, but it's certainly a wine of character, slightly rustic, but true to its origin and vintage. It was bottled in early 2011. Some 7,200 bottles were produced."

*By Luis Gutierrez – The Wine Advocate
