**REMIREZ DE GANUZA  
RESERVA 2011  
D.O.Ca. Rioja**

“There are more Mediterranean aromas in the 2011 Reserva, and the fruit feels riper and the wine more developed, as you can expect from a very warm year like 2011. It's full-bodied, ... This is a ripe and powerful vintage that needs powerful food. However, I'd drink this sooner rather than later, as I'm not sure if the fruit would dry out before the tannins are fully resolved.”
