**LUA CHEIA EM VINHAS VELHAS  
ANDREZA RESERVA 2011  
DO Douro**

“Elegant and refined with sensual texture, fine fruit and structure, this seems to punch well above its weight now. The tannins are moderate, but they provide some grip on the finish. The fruit is just right--concentrated but never jammy. Of the Reservas here this issue, this stands out as the most serious and has shown the most improvement. It is quite a value.”
