**LUIS CANAS RESERVA 2012
SELECCION DE LA FAMILIA
DOCa Rioja, Spain**

"A bona fide fruit bomb, the 2012 Rsv Sel. Fam. checks in as 85% Tempranillo and 15% Cab. Sauv. that spent 20 months ... French and American oak. It's a big, full-bodied, ripe effort that has loads of cassis, vanilla, cedarwood, and licorice aromas and flavors ... it stays balanced and lively on the palate, with good purity and a great finish. I'd drink it over the coming decade, but I suspect it will keep even longer."
