**MARQUES DE LEGARDA  
RESERVA 2002**

**D.O.Ca. Rioja, Spain**

" I think the 2002 ... is a true victory over the difficult conditions of the vintage. It is amazing that this wine displays such quality and balance at this age with plenty tobacco, leather, spice box and cherries in liqueur aromas and a polished palate where the fruit has not dried out... It feels older that it is, but I find it admirable. Highly recommended and very good value. Drink 2014-2017."
