ALBARIÑO DE FEFIÑANES

Albariño 2019

A truly pioneering Albariño

Founded in 1904, Palacio de Fefiñanes is housed inside a spectacular baronial palace - the 17th century Plaza de Fefiñanes - which sits on the lovely main square of coastal Cambados. The facility was built in 1647 by viscount of Fefiñanes Gonzalo Sarmiento Valladares (1583-1659). They were the first producer to bottle wine under the D.O. Rías Baixas denomination, and the label design, which shows an engraving of the Fefiñanes Palace, dates back to 1928. Palacio de Fefiñanes is currently owned by Juan Gil Careaga. Juan Gil is a respected winemaker, but he entrusts winemaking to the talented Cristina Mantilla, who also consults at several other prestigious estates in Galicia.

In the Rías Baixas region, where the vineyards are quite windy due to the proximity of the Atlantic Ocean, the wine gains a certain acidity and freshness. Vines are over 40 years old on average - some over 100 years old - and are all trained on trellises and planted on sandy soils, with some limestone and clay. The vineyards are grown at heights not much above sea level, enjoying the warm, damp Atlantic climate.

TASTING NOTE

A straight Albariño displaying a bright pale, golden-pale color with greenish glints indicating the youth and freshness of the wine. Very intense aromatics of fresh fruit, green apple, citrus and stone fruit, apricot and greengage. The wine's acidity, enveloped with a fleshy mouth-feel, and its developing structure on the palate enhance the wine's extraordinary complexity and length of flavor. This is a wine that can be kept and enjoyed over the next several years.
