**PAGO DE LOS CAPELLANES
RESERVA 2014
DOC Ribera del Duero**

"I find more freshness and better balance in the 2014 Reserva. Despite its longer élevage in oak, the aromas and flavors of wood feel better integrated, and the wine is substantially cleaner, more focused and livelier than the 2015 Crianza. It's quite classical and mixes fruit with spice and a commercial lactic touch, some earth and a good finish."
