PARKER**

**DESQUICIADO MALBEC 2018
Tupungato, Mendoza - Argentina**

“The ripe and fruit-driven 2018 Malbec had floral aromas and an expressive nose, mixing violets and red berries with a spicy twist from the eight months that half of the wine matured in oak barrels. This is a co-fermentation with 8% Pinot Noir and 7% Cabernet Franc with indigenous yeasts. The palate is medium-bodied with very fine tannins, focused, pure flavors and a long finish. 36,000 bottles produced.”
