**REMIREZ DE GANUZA
GRAN RESERVA 2009
D.O.Ca. Rioja**

"... Being surprisingly youthful for a wine that is already ten years old. The wine is quite dark and represents the style of warm and dry vintage quite faithfully. The wine is powerful but has very good harmony, and the tannins are fine, round and mostly resolved; there is very good balance and harmony. It finishes dry and clean, with a long lingering aftertaste."
