**REMIREZ DE GANUZA
RESERVA 2009
DOCa Rioja**

“ ... Here there is more structure, great power and sweet tannins with a very tasty finish. The wine has a modern profile and is still quite oaky, but I'm sure this wine will age in bottle to become much more classic. For comparisons sake ... I believe this 2009 will grow into a very good, classic Rioja in bottle. 40,000 bottles produced.”
