**REMIREZ DE GANUZA
BLANCO 2017
D.O.Ca. Rioja**

“The pale, young and fruit-driven white 2017 Remírez de Ganuza Blanco is a barrel-fermented blend of Viura with some 20% Malvasía Riojana, Garnacha Blanca and other white varieties ... The style of the wine is modern and clean, very lightly oaked, and feels quite fresh for a warm and early year such as 2017, with integrated acidity and a clean and tasty finish.”
