**LUIS CANAS RESERVA 2013
DOCa Rioja, Spain**

"2013 was the year in which Juan Luis Cañas and his team started to use a little less oak on his wines, to good effect in my view. This assemblage of Tempranillo with 5% Graciano is still a modern style, with 20% new wood, but it's spicy, refreshing and nuanced with some grip on the finish. 2019-23"
