**LUIS CANAS GRAN RESERVA  
2010 DOCa Rioja, Spain**

"On the contrary, the 2010 Gran Reserva feels quite integrated and polished, with classical aromas of forest floor, mushrooms, tobacco and red and black berry fruit, all of it in a subtle and harmonious way. The palate feels quite compact, balanced and polished, with fine tannins and very tasty flavors. This is a great Gran Reserva. 20,000 bottles produced."
