**ESCORIHUELA 1884
SINGLE VINEYARD
ORGANIC MALBEC 2018**

A Malbec from Pampa El Cepillo, [...] Uco Valley, made with organically grown grapes. The wine is an expression of the terroir: bright purple in color, presenting a frisky, expressive nose that offers intense aromas with hints of herb, pine and thyme over a bed of sweet and sour cherry. Relaxed in the mouth with juicy tannins and a medium volume; the elegant freshness enriches the flavorsome finish. A modern style for Argentina, but in all a very seductive Malbec. 8th Oct, 2020.
